

A word finding game against time!

.NET Boggle User Guide

Objective of Boggle

Form words you can see within the time limit.

The longer the word, the more points you get!

Getting Started

Begin by pressing *Play*.

The game will randomly place 16 letters on to the game grid. When the timer starts, you have 3 minutes (configurable) to enter in as many words as you can find.

Rules

- ❖ Words must be three characters or longer
- ❖ Letters must be adjacent to the previous letter
- ❖ Tiles cannot be reused in a word
- ❖ Words can only be submitted once

Scoring and Winning

The longer the word, the more points it is worth! The table below explains the scoring.

WORD LENGTH	SCORE VALUE
3 - 4	1
5	2
6	3
7	5
8+	11

Tips

Plurals count as different words

The "Qu" tile counts as two letters
